

Klarners

Executive Travel

After a very difficult few months of 2020, we are happy to announce that here at Klarners we have achieved the 'Good to Go' Covid-19 Industry Standard, recognised by VisitEngland, the National Tourist board of England.

We have followed government and industry guidelines to ensure we have put processes in place to maintain the level of cleanliness and social distancing required for our employees and customers to travel safely.

We're GOOD TO GO and excited to welcome you on board soon!

#Enjoy The Journey
